SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:

The examiner called applicant to discuss the election. The examiner verified that applicant wished to pursue the combination of promoters GSTP1 and APC. The examiner explained that Claims drawn to combinations comprising this subcombination would be withdrawn, but upon allowance of the subcombination would be considered for rejoinder. Moreover, Applicant asked whether upon amendment additional promoters may be added. The examiner indicated this would be a switch in invention and not generally permitted.

Part III.

It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.

It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.
